## EXPLANATORY NOTES.

1. Names in italics are temporary employees July 1, 1914.
2. Since the statute requires these lists to be arranged by divisions where the same exist, a few duplications of names occur, owing to transfers from one division to another during the year, these duplications being eliminated in the summary.
3. The expense incurred in connection with auditing and installing systems, in accordance with the provisions of chapter 598, Acts of 1910, is assessed back upon the municipalities for which the work is performed, the Commonwealth being thus reimbursed.
4. The amount paid for services in connection with the taking of summer censuses, so called, in accordance with the provisions of section 13, chapter 100 of the Revised Laws and section 8, chapter 371 of the Acts of 1909, is, under the law, assessed back upon the towns petitioning for said censuses, the Commonwealth thus being reimbursed.
